ALEXANDER'S THRONE.

LEMBURG, August 28.—Prince Alexander has returned Prince William of Wurtemberg's visit. M. Stambuloff has sent the following dispatch to Prince Alexander of Lesse:

In the name of the Fatherland, we beg

emburg, (our Prince) and ask him to have that city to-day, direct for Bucharest, here M. Nachevich, the Bulgarian diplomatic agent, will explain to him everything. The Bulgarian nation and army anxiously await the Prince's return.

Prince Alexander started at 2 o'clock this afternoon by a special train for Lompalanka, by way of Bucharest and Giurgiu. From Lompalanka he will proceed

The Porte has expressed its willingness to adopt the view of the Bulgarian Commission in connection with the revision of the organic statute. It is proposed to elaborate a new statute, to consist of three parts, the first dealing with the rights of the Sultan, the second with internal ad-

ways, passports and customs. The Porte wishes to add a fourth section, dealing with the position of foreigners and with capitulations. The Governments of Germany and Austria consider that the recent events in Bulgaria impose on England chiefly the duty to take the initiative in any foreign action for the settlement of Bulgarian affairs. This opinion has been officially communicated to the Porte. The Russian papers hope that the interview between Prince Bismarck and Mr. de Biers, the Russian Foreign Minister, will

The *Gazette*, of St. Petersburg, advises Prince Alexander not to resume the government of Bulgaria, as such a step would only result in a second and more decisive overthrow. A courtmartial in Sofia, for the purpose of trying the leaders of the *coup d'etat* which resulted in the deposition of Prince Alexander, has rendered a verdict condemning M. Zankoff, Minister of the In-

government, and M. Gruelf, to death, and in Metropolitan of Tirnova, Mgr. Clement, to imprisonment for life. A dispatch from Jassy says that if the Powers revert Prince Alexander's return, the Bulgarians will proclaim a Republic.

the augustous act of scoundrels who had been bought with Russian money. One journal warns the Czar that Alexander is a German, and that the indignity put upon him is an insult which will never be forgotten. Emperor William received the news of Alexander's deposition from General Von Werder, on Sunday, at the mess of the officers of the guards at Potsdam.
